THE STATE OF NEW HAMPSHIRE

To the Inhabitants of the Town of Holderness in the County of Grafton in said State, qualified to vote in Town Affairs:

You are hereby notified to meet at Town Hall in said Holderness on Tuesday, the tenth day of March, next, at nine of the clock in the forenoon, to act upon the following subjects:

1. To choose all necessary Town Officers for the year ensuing.

2. To raise such sums of money as may be necessary to defray town charges for the ensuing year and make appropriations of the same as estimated in the budget.

3. To see if the Town will vote to accept State Aid, and to raise and appropriate $2,506.00 to be expended jointly with $5,012.00, which is to be expended on the North Holderness road.

4. To raise and appropriate such sums of money as may be necessary for repairing highways and bridges for the ensuing year.

5. To raise and appropriate such sums of money as may be necessary for maintenance of permanent improved roads.

6. To raise and appropriate money for Town construction of improved roads.

7. To see if the town will vote to raise and appropriate $400.00 for the control of White Pine Blister Rust.

8. To raise and appropriate money for care of Cemeteries.

9. To raise and appropriate money for the support of Libraries for the ensuing year.

10. To raise and appropriate money for Memorial Day Exercises.

11. To see if the town will vote to instruct the Selectmen to hire money in anticipation of taxes.

12. To see if the town will raise and appropriate money for the benefit of the Memorial Hospital of Plymouth.

13. To see if the town will vote to raise and appropriate money to pay outstanding note or notes.

14. To see if the town will vote to raise and appropriate money for the benefit of the Laconia Hospital.

15. To see if the town will vote to discontinue the road which was the entrance to the old North Holderness road running north west from the D. W. Highway to the North Holderness road by the Hattie Eastman property.

16. To see if the town will vote to discontinue the piece of road running from the Coxboro road northeast approximately 1-10 of a mile to the Shepard Hill road.

17. To see if the town will vote to discontinue the piece of road running northerly from the Shepard Hill road to D. W. Highway by the Susie Hall Batchelder corner.

18. To see if the town will vote to discontinue the road known as the "Old Mountain Road" running westerly from "Old Highway", so called, over Mt. Livermore to New Discovery road, so called, at Owl Brook Camp.

19. To see if the town will discontinue the section of road known as the "Old Highway" running north easterly from the point where Lover's Lane, so called joins it at the top of Winding Hill to the old Marston property now owned by George S. West.

20. To see if the town will vote to adopt the provisions of the Municipal Budget Act as provided in Chapter 9 of the Laws of 1935.

21. To see if the town will vote to discontinue the entire road south of lot No. 44 in Shepard Park.

22. To hear reports of agents, auditors, and committees, and to see if the town will vote to raise and appropriate money for the purchase of land and buildings, or take any vote relative thereto.

23. To see if the town will vote to raise and appropriate the sum of $100.00 to provide for additional fire protection due to the war emergency.

24. To see if the town will vote to raise and appropriate the sum of $100.00 to provide watchmen and additional police protection due to the war emergency.

25. To see if the town will vote to raise and appropriate the sum of $100.00 for the use of the town health officer and board of health due to the war emergency.

26. To see if the town will vote to petition the state tax commission to have an audit made by the division of municipal accounting and to make an appropriation to cover the expense of such audit.

27. To transact any other business that may legally come before the meeting.

Given under our hands and seal, this 21st day of February, in the year of our Lord nineteen hundred and forty-two.

JOSEPH W. PULSIFER,
NORMAN P. SMITH,
HAROLD E. HALEY,
Selectmen of Holderness.

A true copy of Warrant—Attest:

JOSEPH W. PULSIFER,
NORMAN P. SMITH,
HAROLD E. HALEY,
Selectmen of Holderness.

AUDITORS' REPORT

Holderness, N. H., February 13, 1942.

We hereby certify we have examined the accounts of the Selectmen, Treasurer, Clerk, Tax Collector, Road Agents, Library Trustees, Fire Department, Fire Wardens, Overseer of the Poor, and Trustees of Trust Funds, and find them correctly cast and vouched.

ARTHUR W. FORBES,
HAROLD T. SOMMERS,
Auditors.

REPORT

of an audit and examination

of the accounts

of the

TOWN OF HOLDERNESS

for the period

From February 1, 1940 to December 22, 1941

made by the

DIVISION OF MUNICIPAL ACCOUNTING

New Hampshire State Tax Commission

CONCORD, NEW HAMPSHIRE

CERTIFICATE OF AUDIT

January 28, 1942

This is to certify that we have audited the accounts and records of the Selectmen, the Treasurer, the Tax Collectors, the Town Clerk and the Trustees of Trust Funds for the Town of Holderness for the period from February 1, 1940, to December 22, 1941, inclusive. Such accounts and records were found correctly cast and properly vouched for, subject to our comments offered herewith.

We submit our report in the form of Exhibits and Schedules which, in our opinion, reflect the financial condition of the Town of Holderness as of January 31, 1941, and as of December 22, 1941, together with information relative to activities in town affairs, to the best of our knowledge and belief.

Respectfully submitted,

HAROLD G. FOWLER,

Director Division of Municipal Accounting,
State Tax Commission.

Noe Allard, Auditor, Alan R. Matthews, Accountant, Harry G. Hager, Accountant.

Concord, N. H., January 28, 1942

To the Board of Selectmen,
Holderness, New Hampshire

Gentlemen:

Acting upon your request to this Commission for an audit of your accounts, we have examined and audited the accounts and records of the Selectmen, the Treasurer, the Tax Collector, the Town Clerk, and the Trustees of Trust Funds, for the period from February 1, 1940, to December 22, 1941, inclusive, and we submit our report in the form of exhibits and schedules, together with our usual form of certificate for the period under review.

SCOPE OF AUDIT

The audit and examination included a complete review and verification of accounts and records of the above-named town officers. In addition, we found it advisable to review the procedure and form of reporting employed by the various town officers, to the end that such reports may in the future be more accurate and informative.

We examined and compared the Selectmen's orders with the Treasurer's checks and supporting vouchers for the period under review. Corresponding accounts were reconciled with the cash balances at the close of the fiscal year ending January 31, 1941, and at the date of our audit and examination.

The Treasurer's accounts and records were carefully examined and found in good order. The verification of cash in bank was made by reconciliation of statements obtained from the bank where funds were on deposit. A complete verification of cash activities for the period under review disclosed the necessity for closer comparison and reconciliation of balances between the Treasurer's accounts and the bank statements.

Our audit and examination of the Tax Collector's accounts proceeded with open balances of unpaid taxes and unredeemed taxes as of January 31, 1940, and included the verification of tax warrants for the year 1941, tax sales records and cash book activities for the period under review. Collections and other credits by discounts, abatements and taxes sold were examined and compared with remittances to the Town Treasurer and cash balances either on hand or in bank to the credit of the corresponding Tax Collector. Activities covered during our audit and examination included those of David W. Curry and Mildred I. Avery, as tax collectors for the period under review.

Cash on hand was verified by actual count, and the results are reported herein under Exhibits A and B-2, as of the date of our examination. Unpaid taxes were verified directly with the taxpayer of record, for taxes levied during the year 1941, only, and we shall comment later on open items affecting prior years.

We examined the accounts and records of the Town Clerk and verified all remittances to the Town Treasurer, together with the cash balance either on hand or in bank. Exhibit B-3 of this report indicates the actual count of cash on hand and the verification of amounts due the Town Treasurer for collections not reported as of the date of our examination. No bank account is carried by the Town Clerk for such acvtivities, but remittances are made to the Treasurer at regular intervals.

The result of our examination of accounts and records of the Trustees of Trust Funds is given under Exhibits E-1 and E-2 in this report. The small number of trust funds does not require elaborate accounting, and the activities are recorded directly in the bank books and very little detail furnished otherwise. It was found necessary to refer to reports of previous years for verification and allocation of income. We believe it necessary that better distinction be made between principal of trust funds and income derived from investments. There should at no time be any income not allocated to individual funds.

THE BALANCE SHEET

The comparative balance sheet submitted herein under Exhibit A was prepared from the results of our audit and examination. It will be found by comparison that the balance sheets filed with this Commission as of the corresponding dates are not in total agreement. The Financial Report submitted each year to this Commission and certified by the Selectmen and Treasurer should reflect the true financial condition of the Town at the end of the fiscal period, together with the financial activities of all town officers for the corresponding period. It should also be in agreement with individual reports submitted by the Tax Collectors, the Town Clerks and any other town officers receiving town funds. Such individual town officers' reports are in effect supporting records of balances as shown in the balance sheet at the end of any given fiscal period.

It follows, therefore, that the Selectmen's records must be complete and in agreement with the Town

Treasurer's accounts. They must obviously include activities of all town officers to and including the last day of January in each year. This not only implies but necessitates accurate and detailed information to enable reasonably accurate and informative reporting to the taxpayer and to this Commission.

CASH BALANCES

Cash on hand and in bank, as reported in the balance sheet, Exhibit A in this report, represents a verification as of December 22, 1941, by actual count of cash on hand and verification of cash in bank by reconciliation of bank statements obtained directly from the bank where funds were on deposit.

UNEXPENDED BALANCES OF APPROPRIATIONS

We prepared the statements of budgetary appropriations and expenditures, submitted herein under Exhibits D-1 and D-2, from the results of our audit and examination. Exhibit D-1 reflects the activities in appropriations for the year ended January 31, 1941, and Exhibit D-2 refers to the activities in appropriations for the current year.

We submit these statements in a form which in our opinion is sufficiently detailed to permit control of individual appropriations. Such statements are necessarily in agreement with taxes assessed and related income from other sources. A study of these statements will show the need of a well-prepared budget in sufficient detail to provide control and informative reporting at the end of the fiscal period. Constant attention and control over appropriations will facilitate the execution of implied and definite orders given by the voters at town meeting, and will maintain tha stronge financial condition of the Town as reflected by the balance sheet.

TEMPORARY LOANS IN ANTICIPATION OF TAXES

Temporary loans in anticipation of taxes are made for the primary purpose of meeting current expenses in anticipation of tax collections. It may be noted here that unexpended balances of school appropriations are paid over to the School Board before the end of the fis-

cal year on January 31st, while the school year ends on June 30th, following. This practice creates a large cash balance for the School District during a period when the Town has to pay interest on temporary loans in anticipation of taxes.

LONG TERM NOTES

By vote of the town meeting held on April 29, 1939, the Selectmen were instructed to issue notes or bonds at the lowest possible interest rates, to refund outstanding town notes as of January 31, 1939, as follows:

Payable to:	Dated	Maturing	Amount
Meredith Trust Co.	11-21-38	2- 1-39	$ 4,000.00
Meredith Trust Co.	12-12-38	4-12-39	$ 4,000.00
Meredith Trust Co.	12-31-38	6-30-39	$ 7,000.00
Pemigewasset National Bank	1- 2-39	5-21-39	$ 7,500.00
Total notes outstanding			$22,500.00

The refunding was accomplished by a series of 2½% interest bearing notes payable to the Meredith Trust Company under date of June 15, 1939, and maturing as follows:

On or before January 15,	1941	$ 3,500.00
	1942	3,000.00
	1943	3,000.00
	1944	3,000.00
	1945	2,000.00
	1946	2,000.00
	1947	2,000.00
	1948	2,000.00
	1949	2,000.00
Total refunding notes		$22,500.00

As of the date of our audit the following notes had been retired: Notes maturing in 1941, 1942, and 1943, totalling $9,500.00, were retired on February 2, 1940, as of January 31, 1940, and the note maturing in 1944 for $3,000.00 was retired on December 27, 1940, leaving a balance outstanding of $10,000.00 as of December 22, 1941, the date of our audit.

GENERAL

During the course of our audit and examination we noted and discussed several details of accounting procedure which seem to cause difficulties and confusion. The importance of adequate records of credits by discounts, abatements and taxes sold, in tax accounting, cannot be over-emphasized. It was observed that such records were incomplete, particularly in regard to abatements. It should be remembered that appropriations are made and expended on the basis of taxes properly levied, and too many errors or unwarranted credits by abatements may result in actual deficits which are later reflected in the tax rate.

It is equally important that each town officer submit a report of activity and financial status at the end of each fiscal period, for publication in the town report. These individual reports are also necessary to present a complete and accurate financial report of the Town at any given date.

The courtesies and attention extended to members of our staff throughout this audit are very much appreciated, and we offer our sincere thanks to all officials who so generously contributed their time and efforts toward making this assignment a very pleasant one.

Respectfully submitted,

HAROLD G. FOWLER, Director,
Division of Municipal Accounting,
State Tax Commision.

Noe Allard, Auditor; Alan R. Matthews, Harry G. Hager, Accountants.

School Report

THE STATE OF NEW HAMPSHIRE

To the Inhabitants of the School District in the town of Holderness qualified to vote in district affairs:

You are hereby notified to meet at the Town Hall in said district on the 10th day of March 1942, at 2:00 o'clock in the afternoon. to act upon the following subjects:

1. To choose a Moderator for the coming year.

2. To choose a Clerk for the ensuing year.

3. To choose a Member of the School Board for the ensuing three years.

4. To choose a Treasurer for the ensuing year.

5. To determine and appoint the salaries of the School Board and Truant Officer, and fix the compensation of any other officers or agents of the district.

6. To hear the reports of Agents, Auditors, Committees, or Officers chosen, and pass any vote relating thereto.

7. To choose Agents, Auditors and Committees in relation to any subject embraced in this warrant.

8. To see if the district will vote to make any alteration in the amount of money required to be assessed for the ensuing year for the support of public schools and the payment of the statutory obligations of the district, as determined by the school board in its annual report.

9. To transact any other business that may legally come before the meeting.

Given under our hands at said Holderness this 10th day of February, 1942.

MARY F. PEASE,
JOHN L. GREENLEAF,
PHYLLIS R. SMITH,
School Board.

A true copy of Warrant—Attest:

MARY F. PEASE,
JOHN L. GREENLEAF,
PHYLLIS R. SMITH,
School Board.

OFFICERS AND STAFF

Of the Holderness School District 1941 - 1942

School Board—Mary F. Pease, Chairman; Phyllis R. Smith, Secretary; John L. Greenleaf

Treasurer—Ethel J. Piper

Clerk—Edith L. Plant

Moderator—Harold Webster

School Physician and Nurse—Samuel Feiner, M. D., Ashland; Eva A. Heney, R. N., Meredith

Superintendent of Schools—Almon W. Bushnell, Meredith

REPORT OF SUPERINTENDENT OF SCHOOLS

Schools in War Time

In many ways, the fact of a nation at war affects our public schools. Two of the most important ways are dealt with in this report:

(1) Civilian defense preparations.

(2) Effect on regular school work.

Civilian Defense

Our location, some distance from large cities and factories, makes air raids seem unlikely. The results of surprise attacks in other parts of the world, however, makes preparedness by all civilians the only sensible course in this war. The practice of air raid drills is being held in all schools, that it may become a matter of routine. Each school is provided with the equipment suggested by State authorities for fighting incendiary fires. Special attention is given to first aid equipment and instruction. The State Police are cooperating in a plan of finger printing all children in the State to aid in identifying any who might be separated from their parents.

Effect on Regular School Work

Greater interest is shown in geography and current events. Our pupils are becoming "map conscious" as they listen to radio news and read their weekly newspapers. Some pupils are knitting for the Junior Red Cross, working on squares which will be made into afghans. More attention than ever is given to a study of our American neighbors, including Canada, as well as Central and South America.

The need of investing a part of our savings in Defense Stamps is emphasized. Much stress is put upon the need of conservation of all materials - rubber erasers for pencils will be very hard to get, all supplies are much higher in price, therefore must be used to best advantage and nothing wasted.

Visual Education

Several times during the year our pupils have had the privilege of using one of the most useful and modern of educational devices, the sound motion picture projector. Films on various topics connected with geography, nature study, music, history, etc., have been shown in each of the schools. With proper discussion of the film lesson beforehand, and correlation with regular studies afterward, these film lessons can be made very valuable. We are especially grateful to Mr. Laurence Webster and Mr. Edwin S. Webster for their generous contribution toward the purchase of our projector.

What Our Schools Are Doing

East Holderness School

During September and October, we made a butterfly collection as a nature activity. As a part of this activity we watched the metamorphosis of a Monarch butterfly. This proved to be very interesting as well as instructive.

We submitted several articles of school work to be judged at the Plymouth Grange Fair and won prizes on some of them.

Early in November we formed a tonette band which consists to date of six children with more waiting to get their instruments before they can join the band. The children bought their own instruments and practiced after school in order not to take time from regular music classes. By Christmas time, two of the group were sufficiently skilled so that they played at the Christmas program in the town hall. At present all six are still having lessons and progressing rapidly.

Bridge School

Three girls are taking piano lessons and one is taking clarinet lessons, under the supervision of Mr. Musgrove. Much interest is shown in this work and fine progress is being made.

Grades seven and eight are enjoying the library books obtained from the State Library. They are

used in connection with their English work and book reports.

We are studying a musical program over the radio this year. It is the Walter Damrosch program, Series B. This is a series of different programs broadcast every two or three weeks on Friday afternoons at 2:00 o'clock. The children keep notebooks on these concerts and enjoy them very much.

We are starting the study of musical instruments in an orchestra. Pictures and descriptions in the form of notebooks will be kept by the children.

Carr School

This year we of the Carr School have been making a special effort on the work in our notebooks on English, Geography and Penmanship. We are following current events by making History and Geography scrap-books and maps. We follow the Walter Damrosch programs with Series B work books and enjoy "Stories in Music" on the record player. The primary children dramatize the stories but the upper grade pupils write and illustrate them.

We are learning to appreciate natural resources in the study of nature and have woven mats and baskets with grasses that we have gathered and reeds that have been given to us by kind friends. We appreciate our cooperative neighbors and thank Mr. Roy Melanson for the oak pieces he gave, that we might have swings. We are grateful to the Holderness School for Boys for the Christmas Party; to Plymouth Fair Association for cash prizes and the Silver Cup again this year; and to Proctor & Gamble Co., for $25.00 cash prize for the soap carving "Our Neighborhood". We donated $5.00 to Golden Rule Farm for Boys, joined the Red Cross and through our music supervisor Mr. Donald Musgrove bought records amounting to $5.00.

We are learning that drugs, narcotics and liquor may be harmful and that proper exercise, food and sunshine will aid us to better living.

Elm School

We are attempting to learn to live together and to respect the rights of others, especially the neighbors near the school. It is a satisfaction to see how far we have progressed along this line.

Early in the year we organized a rhythm band. We have made a fine beginning and have had parts in both the Hallowe'en and Christmas programs.

We made posters of timely interest for Thanksgiving and Christmas and now have begun a transportation project. We have the most of our material, pictures, articles and themes ready to be made into booklets. This project is not completed, but will be soon.

We are also working on a scrap book of the present war, which was begun last year. This is finished to date. Now we are making a study of the world and of the relations of its countries to each other, their importance as to products, world markets, locations and other important facts.

Conclusion

It has been said that **teaching** may be done to groups of people, but that **learning** is always done by single individuals. Your teachers and superintendent are keenly conscious of the fact that we are trying to help with the education of individual girls and boys, whom sometimes we do not fully understand, and whose problems are not always understood by their fathers and mothers. We appreciate the friendly and sympathetic spirit which is so generally shown when parents discuss these problems with us. Let us continue to work together in these difficult times for the good of our children.

Respectfully submitted

ALMON W. BUSHNELL,

Superintendent.

REPORT OF SCHOOL NURSE

This report covers only work done since September 2nd 1941.

Pupils inspected	76
Visits to schools	31
Home visits	8

All children were weighed and measured. Vision tests have been completed.

Arrangements are being made for a Dental Clinic the first of March. It is hoped that as many children as possible will take advantage of this clinic. Two children have been taken to the Dentist. One had an X-ray of all his teeth. The results found will be attended to shortly.

Two children were taken to the T. B. Clinic, were examined and had skin tests by Dr. Kerr.

I wish to express my appreciation for the cooperation which I have received from the superintendent, school board, teachers, parents and Red Cross of the community.

Respectfully submitted,

EVA A. HENEY, R. N.
